NOTES

- From help, map, and camera screens you can click to each and the home screen in bottom left corner of the screen.
- Map info page uses an expand-able/collapsable format, while camera info page shows info for that tab in the right hand side of the page with tabs on the left
- Building names appear automatically in camera view, and you click on the name to see the info of that building
- Click a building in map view for the name to appear with the option to go to the info page or to get directions to that building
